

# FIXING AND MAKING OUR STREETS SAFER & BETTER FOR ASSEMBLY DISTRICT 42

## Community Survey

Help make the DOT aware of issues facing our community.

Assemblymember

**Rodneyse Bichotte Hermelyn**

**Does your community have: Broken street signs? Potholes?  
Missing speed bumps? Other issues?**

*The Office of Assemblymember Rodneyse Bichotte Hermelyn  
wants to hear from you and is here to help!*

Dear Neighbor,

Residents are voicing their concerns for us to help solve transportation safety issues on our streets, and we want you to be involved in our efforts to help, too.

We are asking you to participate in a short community survey that will help us to make the Department of Transportation (DOT) aware of the needs of our community.

To participate in our survey online, please visit  
<https://nyassembly.gov/mem/?ad=42&sh=story&story=107438>

You may also call our Assembly District Office at **718-940-0428** to voice any of your concerns or participate in the survey. No matter the issue, we are here to help.

*Please Note: If you have already called to make a request to 311 or the DOT, please include the 311-request number or the DOT request # when you complete the survey.*

We look forward to hearing from you!

Sincerely,

Assemblymember Rodneyse Bichotte Hermelyn

## Helping in the Community – Walkthroughs with Constituents and DOT

Assemblymember Rodneyse Bichotte Hermelyn and her office staff have participated in walkthroughs and meetings for Assembly District 42 with DOT Stakeholders, local Community Boards, and residents to address and assess issues facing your neighborhoods.

## Making Public Transportation Accessible

Assemblymember Rodneyse Bichotte Hermelyn is committed to increasing accessibility throughout our transit system and advocated for the MTA investing to make stations in our community ADA accessible, including recent elevator renovations for the Flatbush Avenue/Brooklyn College (2/5) & Church Avenue (2/5) subway stations.

### Summer Repaving

Assemblymember Rodneyse Bichotte Hermelyn encourages the Department of Transportation to conduct street repaving in our district throughout the summer months to minimize the traffic impact.

Smooth streets are safer for drivers, bicyclists, and pedestrians, and the Assemblymember has made it a priority to increase the number of streets resurfaced each year.

### 2024 Fiscal Year Street Repaving Schedule for Assembly District 42

## Why Your Feedback & Survey Responses Matter

Transportation surveys enable city planners and policymakers to make informed choices regarding infrastructure management. Your data collected helps support urban development by aligning decisions with growth and sustainability goals, ensuring a more livable and sustainable city. Accurate survey data is also crucial in securing federal and state funding.

### So, help your community!

Ensure our community receives its fair share for essential infrastructure improvements.
